OCTOBER IS ABILITIES AWARENESS MONTH!

This experiential and participatory workshop is designed to give participants a more in-depth exploration of how the oppression of people with disabilities affects us all. Participants will look at the information and misinformation that keeps us from being more powerful allies for each other.

For Students, Faculty, Staff and Members of the Community

Saturday, Oct. 13, 2012
10 a.m. - 3 p.m.
Administration Building
Room 101

Sponsored by:
The Office of the President, the Division of Enrollment Management and Student Development
and the Student Senate

If you have a disability and require any reasonable accommodations or an interpreter, please contact the Center for Access and Assistive Technology at (518) 629-7154, or TDD (518) 629-7596.
